Re: License Renewal Card

Your license renewal card is printed with this letter. Pursuant to Rule 21 NCAC 38 .0301, your license and current renewal card must be available for inspection at your principal place of business as proof of current licensure in the State of North Carolina.

You are now able to store your Continuing Competence Activity (CCA) online by going to "Manage Your CCA Online" and following the prompts in the continuing competence activity section of the Board's website. CCA points must be earned between July 1 of the previous year and June 30 of the renewal year. An ethics activity is mandatory every renewal.

You are also able to update your personal information online by going to "Update My Personal Profile Online" on the Board's website; including address, employment and supervision updates. In an effort to make more online services available to licensees, the Board requests that all licensees maintain a current email address in their personal profile.

This letter will be the only verification provided to you confirming that you have paid the $50 fee to renew your occupational therapist or occupational therapy assistant license. The Board does not issue receipts.

This is your new renewal card. ⇨

Cut out and display with your license.

There is a $5 charge for a replacement card from the Board office.
